

**OFFER OF PREFERENCE SHARES
TO RETAIL AND INSTITUTIONAL INVESTORS**

Investors will enjoy a fixed dividend rate of 5.1% per annum for the first 10 years and subsequently, a floating rate dividend

Singapore, 11 August 2008 – Oversea-Chinese Banking Corporation Limited (“**OCBC Bank**”) today announced that it will be offering 10 million non-convertible, non-cumulative, guaranteed preference shares (“**Preference Shares**”) at S\$100 per Preference Share (“**Offering**”), through its wholly-owned subsidiary, OCBC Capital Corporation (2008) (“**Issuer**”), to raise S\$1.0 billion. The Offering may be increased to up to 15 million Preference Shares (or S\$1.5 billion) if demand exceeds 10 million Preference Shares.

The Preference Shares carry a fixed dividend rate of 5.1% per annum, payable semi-annually in March and September each year up to 20 September 2018. The Preference Shares are perpetual securities with no fixed redemption date. They may however be redeemed by the Issuer on 20 September 2018 and on each dividend date thereafter, subject to approval from the MAS. If the Preference Shares are not redeemed by 20 September 2018, the dividend will become a floating rate dividend tied to the prevailing 3-month Singapore Dollar Swap Offer Rate plus 2.5% per annum, payable every three months. The dividends are guaranteed by OCBC Bank.

The Offering will be made by way of a Placement and an ATM Offer, which will open from 9.00 a.m. on 12 August and close at 12.00 noon on 26 August 2008¹. Of the total of 10 million Preference Shares available for subscription, 2.5 million Preference Shares (or S\$250 million) will be offered under the ATM Offer, which is open to the general investing public.

ATM Offer

Under the ATM Offer, the minimum subscription is 100 Preference Shares (or S\$10,000), and thereafter in multiples of 100 Preference Shares (or S\$10,000). Retail investors can apply at any OCBC Bank ATM and ATMs of the other participating banks, namely DBS Bank (including POSB) and UOB Group. ATM applications will be subject to balloting if the total subscriptions exceed the amount available for subscription.

¹ The relative size of the Placement and the ATM Offer, as well as the timetable for the Offering, may be altered at the discretion of the Issuer and OCBC Bank.

The Preference Shares are intended to qualify as Tier 1 capital of OCBC Bank. The issue will enable OCBC Bank to further strengthen its capital base and balance the different types of capital of OCBC Bank (including non-dilutive Tier 1 capital) so as to achieve greater capital efficiency. A stronger capital position will also enable OCBC Bank to further grow its businesses and take advantage of market opportunities.

In June 2008, OCBC Bank received overwhelming response to its S\$1 billion offering of Class B Preference Shares. Mr Andrew Lee, Head of Group Consumer Financial Services of OCBC Bank said, "Customers have shared with us that they are still on the lookout for similar instruments. We believe our latest offering will provide these investors with another investment opportunity."

The Preference Shares have been rated investment grade by rating agencies, with an Aa3 rating from Moody's, A+ from Fitch and A- from Standard and Poor's. They are expected to be listed on the main board of the Singapore Exchange Securities Trading Limited from 28 August 2008, and traded in board lots of 100 Preference Shares (or S\$10,000).
